MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT : Operational Coordination

REFERENCE: Memorandum, 8 November 1949, from Executive to  
DCI, subject as above, routed to ORE for comment

1. In general, ORE supports action to improve over-all staff coordination, but feels that many questions raised by reference memorandum have implications broader in scope than the question of aliens and the coordination of covert operations.

2. It is therefore requested that reference memorandum be made the subject of discussion at a forthcoming meeting of the Operational Coordination Group when all interested Offices and Staffs may present their points of view.
